750 SUTTER STREET - NEAR TAYLOR - SAN FRANCISCO 9

September 4, 1946

Dear Miss Collins,

Mr. Harding and I want to thank you and The A.P.C. of San Francisco for the welcome expressed by the beautiful flowers. They made us feel we were among friends here. Every time we come in the door to either room they greet us afresh with their color and perfume. Will you express our warm appreciation to the club members, whom we are looking forward to meeting in the very near future?

Cordially yours,
Eleanor Hartman.
